GPS for Navigating Career Changecareergps.peirce.edu

ATTRACT

Students from the population you serve:

- Transfer Students
- First Time College Students
- Adult Learners
- Military Affiliated

INFORM

Students as they interact with the tool:

- Build a Portfolio
- Evaluate for Credits
- Apply Credits to Programs
- Align Academics & Career Plans

ENGAGE

Engage with Students early and often:

- Connect With Students
- Assign and Manage
- Communicate, Assist & Track

I have been around long enough to see the career wheel and to see the academic wheel. But this portal brings together those two worlds and elevates them to a whole new level!

This is incredible.

D. Donnell Smith

Academic Advisor, Northern Virginia Community College

The Education and Career Compass (ECCompass) from Indtai, Inc. is a cloud-based, secure, customizable, SaaS platform that supports academic institutions as they empower students - helping them to achieve their academic & career goals.

STUDENT FEATURES

- Institutional profiles with relevant details and links
- Search for courses, programs, majors, degrees from all schools in the portal
- Search credits for courses, examinations, military experience, certifications, licenses, etc.
- Find schools in the portal where a course can be completed and transferred to the home institution
- Search for high school dual credit/concurrent enrollment
- Search for reverse transfer programs and initiate transfer
- Statewide or inter-institution admissions agreements, transfer maps/guides, etc.
- Access repository of resources on transfer, academics, financial aid, student life, etc.
- Build/maintain a portfolio of prior learning and:
- Process military transcripts to extract and create portfolio.
- Custom transcript processing – one time development charge.
- Evaluate portfolio.
- Map credits to degree programs at schools in the portal.
- Provide an estimated cost to complete based on credits applied, tuition/fees at the institution, military education benefits, employer benefits, etc.
- Align academics and careers
- Find career related to an academic program
- Find programs at participating schools related to a career
- Request to be assigned an advisor or staff member for questions or advice
- Communicate and share information, such as the portfolio, with staff.
- Events calendar for transfer events, job fairs, networking and campus visits
- Help or contact an individual school

ADMINISTRATIVE FEATURES

ECCompass uniquely provides each participating school freedom and flexibility in operations via administrative functions that include:

- Adding and managing college staff users and their roles.
- Manage assignment of requests from student users to connect with advisors/counselors.
- Respond to student requests assigned to staff with advisor/counselor role.
- Advise 'walk-in' students – staff users can setup and evaluate a temporary portfolio
- Author and publish resources such as guides, documents, worksheets, videos, admissions agreements, etc., in the Resource Center
- Add and manage events such as transfer fairs, open houses, job fairs, etc. for the calendar
- Reports. Custom reports can be created for a one-time charge
- Validate data files for loading into the portal.
